

Team Name: LLMAO
Report Number: 11
Reporting Week: March 19th

Summary of work completed in prior week:

This week we met on Tuesday 21st and Sunday the 26th. The first meeting was to go over our backend framework Laravel and to see how we wanted to split up the backend work. The second meeting on Sunday was to talk about what everyone was doing for the week and how to continue before the backend presentation that is coming up.

Summary of work planned for next week:

Next week we plan to meet on Thursday the 30th to continue to go over what we all have done and get started with how we want to organize our presentation.

Open issues and action plan to resolve them:

No current issues

Project management summary

Melvin AUVRAY	Working on ingredients/ingredient category for creating the post delete get endpoints for pantry	10	65.5
Ava Megyeri	Working on the get post delete for the recipe endpoints on backend	4	46

Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and action items discussed in the meeting.

The first meeting was on Tuesday the 21st at 1:30pm in the COSI labs. This meeting was with everyone, and we talked about the backend and asked any questions if we had any. We also tried to split up the backend work so we can get started with the coding.

The second meeting was on Sunday the 26th at 7:30pm in the COSI labs. All members attended this meeting. This meeting was to talk about what everyone did in the week and talked about where to go on the backend side to get things done for the presentation. The frontend team also talked about the things they did for the week.
