

Team Name: LLMAO
Report Number: 14
Reporting Week: April 9th

Summary of work completed in prior week:

This week everyone went and worked on their parts of the project. We met once on April 14th to go over what needs to be done before we present.

Summary of work planned for next week:

Next week we plan to continue working on all parts of the project and try and have everything pushed to the main branch by the end of the week so that we can do testing before we present. We also plan to meet over the weekend to start doing testing.

Open issues and action plan to resolve them:

No current issues

Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and action items discussed in the meeting.

We met in the COSI lab on April 14th at 3pm, everyone was there. We went over what left it needed to be done regarding the project and the design docs that we need to work on. We present April 25th so we need to be prepared to finish the website soon.
